MEDICINAL.

STARVED OUT.

Many a garrison has been forced to give up the fight and hang out the white flag of surrender, when lack of food has weakened the men past all power to continue the struggle.

Many a man is similarly starved out of business. His digestion is impaired. His food does not nourish him, and for lack of

strength to carry on the struggle he turns his store over to another.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength to weak, nervous, run-down men and women.

"About ten years ago I began to be afflicted with stomach trouble, also diarrhea," writes Mr. Wm. Walters, of Antrim, Mo. "In warm weather it grew worse, until it would throw me into a cramping chill. Was troubled so often that I sometimes thought my end had come. Tried many remedies, but they only temporary relief. In November, 1899, thought I would try Dr. Pierce's Golden Medical Discovery. I got six bottles and took five in succession, then thought I would wait for a time and take the trouble coming back, so took the sixth bottle and it cured me. I have enjoyed the best of health this summer, and the credit all belongs to your 'Golden Medical Discovery.' I can't express my many thanks to Dr. Pierce. His remedy for it did so much for me. Words cannot express how severely I suffered. If any doubt the above statement let them address me, and I will take great pleasure in answering."

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.

REPUBLICAN PLATFORM.

The republican national convention at Chicago yesterday evening adopted the platform reported by the committee. It is practically a reaffirmation of principles heretofore set forth, and substantially what had been previously forecasted. About one-fourth of the declaration is taken up with the preamble, which gives the history of the rise of the republican party, fifty years ago, and its subsequent course. Much is said concerning the part the country played in wrestling Cuba from Spain and inaugurating a new republic, while the course of the United States in the Philippines is lauded. The following are the salient features of the platform.

We insist upon the maintenance of the principles of protection and, therefore, rates of duty should be readjusted only when conditions have so changed that the public interest demands their alteration, but this work cannot safely be committed to any other hands than those of the republican party. To entrust it to the democratic party is to invite disaster.

We have extended widely our foreign markets, and we believe in the adoption of all practicable methods for their further extension, including commercial reciprocity, wherever reciprocal arrangements can be effected consistent with the principles of protection and without injury to American agriculture, American labor or any American industry.

We believe it to be the duty of the republican party to uphold the gold standard and the integrity and value of our national currency. The maintenance of the gold standard, established by the republican party, cannot safely be committed to the democratic party, which resisted its adoption and has never given any proof since that time of belief in it or fidelity to it.

We favor legislation which will encourage and build up the American merchant marine, and we cordially approve the legislation of the last Congress which created the Merchant Marine Commission to investigate and report upon this subject.

A navy powerful enough to defend the United States against any attack, to uphold the Monroe Doctrine and watch over our commerce is essential to the safety and the welfare of the American people. To maintain such a navy is the fixed policy of the republican party.

We cordially approve the attitude of President Roosevelt and Congress in regard to the exclusion of Chinese labor, and promise a continuance of the republican policy in that direction.

The civil service law was placed on the statute books by the republican party, which has always sustained it, and we renew our former declaration that it shall be thoroughly and honestly enforced.

We are always mindful of the country's debt to the soldiers and sailors of the United States, and we believe in making ample provision for them and in the liberal administration of the pension laws.

We favor the peaceful settlement of international differences by arbitration. We commend the vigorous efforts made by the administration to protect American citizens in foreign lands, and pledge ourselves to insist upon the just and equal protection of all our citizens abroad.

Our great interests and our growing commerce in the Orient render the condition of China of high importance to the United States. We cordially commend the policy pursued in that direction by the administrations of President McKinley and President Roosevelt.

We favor such congressional action as shall determine whether by special discriminations the elective franchise in any State has been unconstitutionally limited and, if such is the case, we demand that that representation in Congress and in the electoral college shall be proportionately reduced as directed by the constitution of the United States.

Combinations of capital and of labor are the results of the economic movement of the age, but neither must be permitted to infringe upon the rights and interests of the people. Such combinations when lawfully formed for lawful purposes, are alike entitled to the protection of the laws but both are subject to the laws, and neither can be permitted to break them.

That which follows, and which would fill about half a column of the Gazette, refers to the assassination of President McKinley and the "good fortune" of the country in having Theodore Roosevelt as his successor, who is credited with a glowing record. The most extravagant and unwarranted adulation of the present incumbent of the White House closes the document.

National Union.

The Virginia Assembly of the National Union held its biennial session at Norfolk yesterday. Much of the session was occupied with a discussion of questions of law. Col. C. A. Nash presided at the session, and Thomas H. Bayne, of Alexandria, acted as secretary. The State secretary, H. E. Anderson, made his report, which showed that there were twelve councils and 600 members of the order in Virginia. The following executive committee for the next two years was appointed: J. Davis Reed, of Portsmouth; W. L. Walters, of Richmond; Thomas H. Bayne, of Alexandria; C. C. Cashon of Petersburg, and W. G. Shackelford, of Martinsville.

Danderine

GREW THIS HAIR and we can PROVE IT.

MISS SARAH MACCOMB,
6550 South Park Ave., Chicago.

Miss Sarah MacComb, whose hair touches the floor when she stands erect, says: "My hair would not reach below my waist when I commenced using Danderine, and it is now over five feet in length." (Look at her beautiful hair and judge for yourself whether or not she got the worth of her money.)

FRANCES MARIE KNOWLTON,
280 Garfield Blvd., Chicago.

"The above photograph of Miss Frances Marie Knowlton shows what care, persistence and a good hair invigorating tonic will do in the way of producing hair. This little girl has had Danderine applied to her hair and scalp regularly ever since she was three months of age, with the result that she now has the longest and most beautiful head of hair ever possessed by a child of her age. Frances Marie is the daughter of Dr. E. W. Knowlton, the discoverer of Danderine, 280 Garfield Blvd., Chicago. The doctor says that her hair continues to grow very rapidly and he is sure it will be long enough to touch the floor when she stands erect by the time she is four years old."

MISS MAY DENSMORE,
34 Delaware Pl., Chicago.

Miss May Densmore, now the longest-haired lady in the world, says: "I have used your Danderine two years, and my hair has grown over an inch in length every month since I commenced its use. It surely contains most remarkably invigorating qualities." (Miss Densmore writes us under recent date that Danderine had made her hair grow three feet longer than it was naturally, and is still growing.)

\$1,000 will be given to anyone who proves that the above photographs and testimonials are not absolutely genuine and unadulterated.

PRETTY SUBSTANTIAL PROOF OF MERIT! IS IT NOT?

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Truham, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. ROSENFELD'S.

ONE PRICE TO ALL.

A Man From Washington

Wanted to know Saturday what was going on—so many people in this store. Nothing special—simply our ordinary business. The contrast was remarkable. There in Washington dull, sluggish business; here in Rosenfeld's a lively, active, bustling, healthy trade.

The store that sails on an even keel with reliable merchandise for ballast, and fair, low prices and liberality is never much disturbed by adverse trade winds.

Lawn Waists.

Lawn Waists 98c, \$1.23, \$1.49, \$1.98 and \$2.49. Not a waist in this lot that is not worth double. We should not have had them to sell for less than double if they were not made from short ends that the maker had left after his season's business.

Floor Oilcloth 4x4, 5x4, 6x4 and 8x4, 20c a yard. Worth 30c and 40c. Seconds, but very good. You would never know if we did not tell you.

Men's Balbriggan Shirts and Drawers, worth 89c and 50c, at 25c. All sizes.
